## Member Education Grant Award Criteria

- Objective:** To support APEGS members returning to further their education in graduate studies at either the University of Regina or the University of Saskatchewan.
- Goal:** To promote further education of members in post-graduate studies (MBA, MEng, MSc, MASc, PhD).
- Eligibility:** Candidates must be a Saskatchewan resident who is a member of the Association, either professional or in-training, and be a member in good standing with the Association at the time of the application.
- Candidates must be registered at, and attending, either the University of Regina or the University of Saskatchewan in post-graduate studies in one of the following areas: Engineering, Geoscience or MBA.
- Candidates must not have previously received this grant.
- Candidates must be registered in or have completed at least 6 credit hours. Proof of registration must be provided.
- Candidates must provide two (2) letters of reference – one from their Graduate Studies Supervisor and one work related.
- Nominating Procedures:** Candidates may apply using the form provided. Applications must be submitted in writing addressing the information requested in the application form.
- Applications will be accepted throughout the calendar year. Those received by December 31 of the calendar year will be evaluated for award of the grant in the following calendar year.
- Decision:** The grant recipients are decided by the Awards Committee.
- Guidelines:**
- a) Accomplishments in the practice of professional engineering or professional geoscience which indicates exceptional potential. **(40%)**
  - b) Demonstration of leadership, volunteerism and community involvement. **(10%)**
  - c) Service to the professions in public education, understanding the role of professionals in society and/or active participation in engineering/geoscience associations, societies and institutes. **(30%)**

- d) Submission of written essay outlining why they are pursuing the post-graduate degree, goals, personal statement, how their studies will contribute to the professions. **(20%)**

**Other Factors:**

These grants may not necessarily be presented in a given year if, in the opinion of the Awards Committee, a deserving grant recipient has not been identified. Two grants will be awarded each year – one to the selected candidate at each of the two universities.

**Method of Award:**

Each grant is valued at \$7,500 and will be presented at the Awards Banquet normally held the weekend of the APEGS Annual Meeting.
