2025 Annual Meeting Motion Sheet

INSTRUCTIONS

The Annual Meeting is a forum for members to hear from Council and the Executive Director and Registrar on APEGS progress, key initiatives, and financial position. It also serves as an opportunity for members to present motions for the consideration of the Council.

To propose a motion, you must:

- be a registrant in good standing (APEGS registered or retired professional engineer (P.Eng.), professional geoscientist (P.Geo.), professional licensee or member in training);
- have a seconder for your motion who is a registrant in good standing; and
- be in attendance at the Annual Meeting, along with your seconder.

APEGS requires that motions are sent in advance of the meeting. This practice enables staff to confirm receipt of the motion, clarify wording with the mover, and publish the motion ahead of the meeting to support informed debate on the issue. To be considered at the meeting, motions must be submitted by **11:59 pm (CST) on Thursday, April 24, 2025**, to Diana Cepe at dcepe@apegs.ca.

Movers will be provided with an opportunity to present a brief (2 minutes or less) introduction to the motion. Those in-person at the meeting will be able to present the motion in the meeting. Movers attending virtually may submit their introduction as an audio or video recording. Both the mover and the seconder must pre-register and attend the meeting for the motion to be presented and considered by members in attendance.

PROPOSED MOTION

It is moved that Council give consideration to:

Moved by:

Name (given and family name): _____

APEGS Member #: _____

Phone: _____

Email: _____

☐ I will be attending the Annual Meeting in-person.

☐ I will be attending the Annual Meeting virtually.

Seconded by:
