Law and Ethics Seminar Material

Updated August 2016

The following material can be found on the APEGGS Web site, www.apegs.ca, under Registration, Professional Practice Exam.

Material that will be provided in hard copy at the seminar as well as posted to the APEGGS Web site:

1. *The Engineering and Geoscience Professions Act*
2. *Regulatory Bylaws*
3. *Administrative Bylaws (note: These three highlighted portions make up what is known as "The Blue Book" at APEGGS)*
4. Professionalism and Professional Regulation presentation
5. Overview of the Blue Book presentation
6. Canadian Law presentations
7. Continuing Professional Development presentation
8. Principles of Professional Practice Exam presentation
9. Ethics presentation
10. Investigation and Discipline presentation
11. Prohibition presentation
12. APEGGS Good Character Guideline
13. APEGGS Use of Seals
14. Continuing Professional Development (CPD) Members' Guideline

Material that will be provided at the seminar that will not be posted to the Professional Practice Exam Website:

1. Agenda Booklet
2. Member Education Grant Form (also on the APEGGS Web site under: Members, Member Grants)
3. Case studies and answers
4. Evaluation form
5. APEGGS Member Benefits Brochure
6. APEGGS Awards Brochure

Material that will NOT be provided in hard copy at the Law and Ethics Seminar but is available for download from the APEGGS Web site:

1. Detailed Law Presentation for Reference
2. A Guide to Copyrights
3. A Guide to Industrial Design
4. A Guide to Integrated Circuit Topographies
5. A Guide to Patents
6. A Guide to Trade Marks
7. Energy Conservation is an Ethic
8. Environmental Guidelines for Professional Engineers and Geoscientists of Saskatchewan
9. Engineers Canada Guideline on the Professional Engineering Practice in Canada

10. Engineers Canada Guideline on the Professional Practice Examination
11. Engineers Canada Good Character Guideline
12. Engineers Canada Guideline on Environment and Sustainability
13. Engineers Canada Principles on Climate Change Adaptation for Engineers
14. Gilbane Gold – Possible complaints to APEGS for investigation and enforcement
15. The Fable of the Consulting Engineer

Other Resources (only the information found in point 3 below is potential material for the Professional Practice Exam):

1. List of all provincial statutes and regulations for Saskatchewan can be found on the following Web page:
<http://www.qp.gov.sk.ca/index.cfm?fuseaction=publications.actreg&id=2>
2. List of consolidated federal statutes and regulations for Canada can be found on the following Web page:
<http://laws.justice.gc.ca/en/index.html>
3. Description of the Canadian justice system:
<http://www.justice.gc.ca/eng/dept-min/pub/just/index.html>

NOTE: There may also be municipal and native law applicable to your projects of which you should be aware.
