

Call for Nominations Awards

The Awards Committee is seeking nominations for the APEGGS Awards as well as other provincial and national awards such as the Saskatchewan Order of Merit, the Order of Canada, the Canadian Engineers' Awards (Engineers Canada) and the Canadian Professional Geoscientist Award (Geoscientists Canada).

If you know of a professional engineer or professional geoscientist who should be considered for an award, or an exceptional engineering or geoscience project that should receive an award, the committee would like you to nominate that member or project. There are seven APEGGS awards: the **Brian Eckel Distinguished Service Award**, the **Outstanding Achievement Award**, the **McCannel Award**, the **Promising Member Award**, the **Friend of the Professions Service Award**, the **Exceptional Engineering/Geoscience Project Award** and the **Environment Excellence Award**. Criteria for each of the awards are contained in the nomination form that appears on the next page.

In addition to the APEGGS Awards, the Awards Committee nominates APEGGS members for awards presented by both Engineers Canada and Geoscientists Canada. Nominations for awards must be received by December 31 to provide time for the Awards Committee to review and consider the nominations for the annual APEGGS Awards and to prepare nomination packages for provincial and national awards. The Awards Committee will develop and maintain a list of nominees for consideration for the various awards.

Nomination form on following page.

Please send nominations to:

APEGGS Awards Committee
300 4581 Parliament Avenue
Regina, SK S4W 0G3
