

Instructions for Logging into APEGS Central

Follow the steps below to log into your online profile with APEGS Central. **Even if you will not be paying your fees online** (for example, your company will be paying for you separately or you are paying by cheque), **you still need to go to your online profile** to review and update your information, indicate in the appropriate screen how payment will be made, and report your continuing professional development (CPD).

STEP 1: Click Login in the top right corner of the APEGS homepage at www.apegs.ca

A screenshot of the APEGS Central login form. It features two input fields: 'User ID is 5-digit APEGS ID' and 'Password'. Below the password field is a checkbox for 'Remember Me?' and a 'Sign in' button. A blue link 'Forgot your password?' is located at the bottom left of the form.

STEP 2: Enter user ID and password. User ID is your 5-digit registration number. Use a preceding zero if it is a 4-digit number.

To reset your password, click “Forgot your password?” If you have trouble, check your spam filter before contacting APEGS. You may have to use your home email address rather than your business one to receive emails from APEGS.

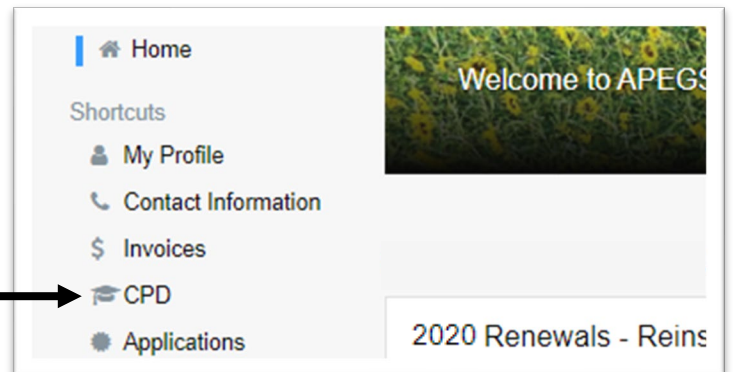

STEP 3: Click ‘Pay Now’ to be guided through all the screens you need to see to renew and review/update your information on record with APEGS. This includes CPD reporting, subscriptions, Permission to Consult (if applicable to you) and other information.
