**Voting Eligibility**

Each member of the Association of Professional Engineers and Geoscientists of Saskatchewan is entitled to one vote at the annual meeting. Only those voting members present at the annual meeting and in possession of the designated “voting” identification card are eligible to vote during the sessions of the annual meeting.

Scrutineers shall be appointed at the commencement of the annual meeting. If there are individuals present who do not have the right to vote, they should be encouraged to volunteer as scrutineers.

**Rules of Debate**

*Limitation of Debate*

The Chair shall exercise the responsibility of the Chair to limit the debate.

- Consideration of any item of business, whether introduced by motion or resolution shall be limited to 30 minutes.
- The chairperson shall warn the assembly that the question will be called within the next five minutes.
- Debate may be extended with permission of the assembly.

*Speakers*

Speakers shall use the microphones, state their name, place of residence and address the chair. The chairperson shall call speakers in the order in which they stand behind the microphones.

*Motions*

Motions must be made by a member and seconded by a member. To ensure accuracy, the chairperson will request that a motion be submitted in writing and be signed by the mover and seconder.

Each person except the mover of a motion may speak once to each motion.

The mover of a motion may speak twice:

- in making the motion, the mover shall identify the seconder of the motion, then continue to speak to the rationale and/or reasons for proposing this motion.

The seconder shall speak immediately following the mover in order to formally second the motion and speak in support of it.

Therefore, the practical effect of an abstention is an indication of support for the prevailing side on the vote. While it is the duty of members who have an opinion on the question to express it by their vote, persons cannot be compelled to vote.

Abstentions shall not be counted or recorded but, in a conflict of interest situation, the name of the member who abstained shall be recorded at the member’s request.

#### **Voting Procedure**

The meeting room will be divided into at least three voting sections. One scrutineer shall be assigned to count the votes in each of the voting sections.

The assembly shall vote by show of hands, using the voter identification card.

New business motions may be signed in counterparts and delivered by electronic communications producing a printed or printable copy, each of which is deemed to be an original and such counterparts together shall constitute one and the same motion. Both the mover and the seconder must be present whether the meeting is held in electronic format (21(4)(b)) or combination in person/electronic (21(4)(c)) or the motion will be void. No new business motions from the floor will be accepted during a meeting held in only an electronic format. Each person except the mover of a motion may speak once to each motion.

In a situation where the chairperson cannot clearly determine a majority, the chairperson shall call the question again and request those attending to electronically revote. If the meeting format is a combination of an in-person meeting and an electronic meeting pursuant to subsection 21.1(2)(c) of these bylaws, the votes from the in-person meeting and from the electronic meeting shall be combined to determine the outcome of the vote.
