Payment Information Sheet for New Members / Licensees

Updated Sept 29, 2021

APEGS is pleased to offer an on-line payment system for payment of fees for applicants, members and licensees.

Payment options are as follows:

1. **On-line** payment is available 24 hours a day.

We ask that you pay your fees in APEGS Central, the self-serve portal. If you have never done this before, see the “Easy Payment” instructions enclosed. Receipts are sent by email only if you pay on-line.

The following payments **cannot** be paid on-line:

- a. Licence waivers. See details on reverse;
- b. If your employer does not pay GST and they are paying your fees for you (for example, Government of Saskatchewan employees, Saskatchewan Watershed Authority employees, etc);
- c. You have a credit on your account;
- d. Partial payments (only payment of the full amount owing can be paid on-line);
- e. There may be other issues flagged on your record that will prevent you from paying on-line. A notice will pop up in your profile if that is the case. Contact the APEGS office for information if necessary.

2. **Cheque** payable to “APEGS” and mailed to the APEGS office. A receipt will be sent by regular mail (receipts are sent by email only if you pay on-line through payment option #1).

3. **Money order** mailed to the APEGS office. A receipt will be sent by regular mail (receipts are sent by email only if you pay on-line through payment option #1).

4. **In person** at the APEGS office by debit card, credit card, cheque, cash or money order. You will receive your paper receipt at the time you pay.

Office hours are 8:00 am to 5:00 pm Monday to Friday except for statutory holidays.

Waiver of Annual Licence Fee (Licence Waiver) - continued

Annual fees for members are split into two portions; membership fee and licence fee. You are **eligible** to apply for a licence waiver if you are retired or not working in Saskatchewan as follows:

- a) not residing in Saskatchewan **and** not practicing engineering or geoscience on projects or properties located in Saskatchewan;
- b) residing in Saskatchewan, not practicing engineering or geoscience in Saskatchewan **and** unemployed (i.e. not working at any job whatsoever);
- c) Any member, regardless of place of residence:
 - pursuing full-time studies at an educational institution;
 - on maternity, paternity or parental leave;
 - away from the work force to raise a family or provide elder care;
 - retired and not eligible for Life Membership;
 - on disability leave;
 - working outside Saskatchewan.

If you are granted a licence waiver and sometime later during the year you **return to work** or obtain engineering or geoscience work on projects or properties located in Saskatchewan, then you shall advise APEGS and pay the appropriate, prorated licence fee.

You are not eligible for a licence waiver if: a) Your circumstances are not listed above; b) You are **resident** in Saskatchewan, are employed (including non-engineering/geoscience jobs) and are registered in Saskatchewan only; c) You are an Official Representative for a Certificate of Authorization (C of A) and there is no other Official Rep for the C of A that is licensed; d) You are a Temporary Licensee.

The licence waiver is for the current calendar year only and you must apply each year (instructions will come with your renewal notice in November of each year).
