

Job Title: Project Manager, Construction Engineering
Job Competition: SW-05-2025
Location: Moose Jaw
Salary: \$7,988 to \$10,384 per month (Management Level 6)

Immerse yourself in a team committed to creating trusted and sustainable water solutions for a vibrant Saskatchewan. A team backed by a corporation with over 60 years of experience providing water and wastewater services. That's a lot of knowledge.

But there's more. SaskWater offers an attractive benefits package including employer-funded health, dental and vision benefits, pension, and disability insurance, plus vacation leave, earned days off, and paid family leave and sick leave. At SaskWater you can take advantage of extras such as flexible work options, a tuition reimbursement program, employee family assistance plans, maternity leave top-up and more. H2Wh0a!!

Now that's refreshing! Apply today.

As the Project Manager, you will manage projects within the Operations & Engineering Division Capital Program; provide senior engineering support to the organization and function as a leader and mentor on project management processes for the organization.

To qualify, you will have a degree in Civil Engineering or similar discipline, Professional Engineer status (P.Eng), PMI-PMP or Gold Seal, and a valid class 5 driver's license. In addition to the above qualifications the job requires 6 years of progressively more responsible experience in project management, construction management, contract administration, engineering design and QA/QC implementation.

Special Requirements: *The position requires the incumbent to undergo a Criminal Record Check and Drug and Alcohol test. You must be legally entitled to work in Canada. A valid Saskatchewan driver's license is required.*
